

Maryclare Ramirez

Bachelor of Fine Arts in Theatre Studies
Graduating May 2025 from Texas Christian University
MaryclareRamirez.com

Building on lifelong, increasingly sophisticated theatre experience as a performer, producer, director and marketer, I'm seeking work in television, film, and theatre production. My core values in any work environment are authenticity and intentionality. I believe in the intersection of art & business, and that the best product comes from people who arrive as their true selves and do work that matters.
